Dear Mr. Chairman,

Resignation of Membership

I write to officially notify your good office of immediate resignation of my membership of the Peoples Democratic Party, PDP.

Mr. Chairman, this is indeed a very difficult, and painful decision that has to be taken now as political events in the last 1 year have reduced the PDP to a mere Support Group of/for the ruling APC, making our PDP a thoroughly delapidated vehicle that can no longer guarantee my personal political growth, interests and aspirations.

In so many ways, I truly appreciate the entire structure, and leadership of the party for providing its shoulders for me to contribute to the party's growth and general wellbeing in my own little way since I joined the party in the year 2002.

I am particularly grateful to our leader and principal, Hon. Dr Oladipupo Olatunde Adebutu, LADO, a wonderful leader for his extraordinary kindness and leadership. History, in its fairness, will definitely remember and reward his uncommon courage, resilience & steadfast dedication to the good of Ogun State. I wish him the very best always and all ways.

I cannot but express my gratitude to my very special egbon and cerebral leader, Omo'ba Dr. Sunday Solarin, an incredibly priceless asset to OgunState, for his intelligent guidance and support for me.

I appreciate all the members of the LADO media team & the Directorate of Media & Communication, a wonderful crop of disciplined and extremely committed minds. The sanctity of our shared moments of joy and tears shall ever remain valued and appreciated.

Like I said, this is a very difficult decision for me. However, it gets to a stage in life when denial would no longer stand. I just have to brace up and move on.

However, political idleness is a luxury I can not afford at this stage. I shall make my next political habitat known to the general public as soon as I complete consultations with my family and associates.

As always, please accept my sincere appreciation. I wish the PDP the very best in its struggles.

Yours sincerely,

Asiwaju Akinloye Bankole (JP)
